Entrepreneurs for Energy Efficiency, Inc. (E-3) is a 501 (c)(3), not-for-profit association of entrepreneurs and supporters of commercialization of new technology, especially in the area of energy efficiency and renewable energy. E-3 is funded by the DOE and the dues and contributions of our members. E-3 membership categories include: **Active** members are recipients or successors of DOE funding or grants; **Associate** membership is open to all others; **Corporate** membership permits up to three attendees at E-3 functions. Memberships are renewable on a yearly basis, April 1 to April 1. Membership benefits include, but are not limited to:

1) Attendance to E-3 semi-annual meetings and other functions; 2) Access to the contacts and network of an exceptional group of individuals; 3) Access to information on State and Federal legislation, regulations and funding.
